

DISCLOSURES:

- Christopher M. Shaari, MD participates in the Medicare program.
- Christopher M. Shaari, MD is on staff at Hackensack University Medical Center in Hackensack, NJ, and Hudson Crossing Surgery Center in Fort Lee, NJ.
- Christopher M. Shaari, M.D. is an out-of-network provider and the estimated amount you will be billed for today's service is available upon request.
- If you request, you may receive the estimated amount that you will be billed for the service and the CPT codes associated with that service, absent unforeseen medical circumstances that may arise when the service is provided.
- You will be financially responsible for services provided by this out-of-network professional in excess of the Covered Patient's co-pay, deductible or coinsurance for the services and those costs allowed by the Covered Patient's NJ Health Plan.
- You are advised to contact your NJ Health Plan for further consultation on the costs for such services.
